

Tubular stockinette is used as an integral part of many medical bandage and compression systems. As the first layer of protection, our tubular stockinette maximizes support and helps protect fragile skin from the pressure caused by bandages or splints. With Minnesota Knitting Stockinette, you can be assured of the highest quality.

## 100% Cotton Stockinette

## 100% Synthetic Stockinette

- Tubular design to effectively protect the skin underneath a cast or splint
- Soft on skin for optimal comfort, providing gentle pressure to hold dressings in place
- Conforms to the shape of the body to reduce the formation of wrinkles
- Crafted from 100% cotton or 100% synthetic materials
- Direct-from-mill Stockinette ensures competitive pricing and highest quality
- Front-facing dispenser allows for easy access to the roll
- Rolls measure 25 yards in length (22.86m)

## Style and Length

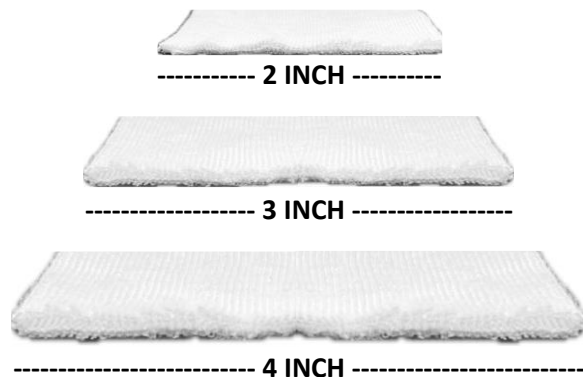

**TUBULAR  
 (CONTINUOUS)**

**25 YARD ROLLS**

## Sizes (All Materials)
